

Sentinel Offender Services Has 'Solutions' for Your Challenges

Since 1992, Sentinel Offender Services continue to provided Law Enforcement and Corrections Agencies, across this country, with more effective solutions than any other service provider in the category. World-Class Performance Solutions such as:

- | | |
|---|----------------------------------|
| RF & GPS Electronic Monitoring Services | Drug & Alcohol Testing |
| Private Probation Management Services | Fines & Fees Collection Programs |
| Offender Voice ID & Verification Programs | Offender Funded Programs |

Sentinel Electronic Monitoring Programs, Sentinel DualTrack RF Electronic Monitoring functionality, with the Sentinel TrakMate active & passive GPS tracking & reporting capabilities, with the "patented" Officer to Offender "Voice Intervention" critical usage feature...and ...Breath Alcohol Testing Units, have provided effective and successful management with more than 1.5 Million Offenders, including probationers, parolees, and county inmates.

Offender Funded Services: Sentinel created the program model where all electronic monitoring and case management responsibilities were paid for by the offender themselves, saving millions upon millions of dollars for the Courts & Law Enforcement.

Sentinel Offender Services administers all aspects of the solutions based programs, in partnership and complete compliance with agency specific directions, with all fees paid by the offender, and structured on their 'pre-agreed upon' ability to pay.

Sentinel Court Services Programs now serve over 100 courts, managing specific court-ordered details with more than 35,000 probationers....and...collecting over \$25 million annually in fines, fees and victim restitutions, returning lost and un-captured revenue to our court partnerships.

Sentinel's "State-Of-The-Art" Monitoring Center professionally tracks & manages a daily national population of over 8,000 offenders, with staffing operations at 24 /7 / 365. The 3,000 sq ft. completely contained service facility is located inside our corporate facility, in Irvine, California. The center is staffed by monitoring professionals, averaging 5.6 years service experience, with bilingual language capabilities and completely cross-trained on all Sentinel Monitoring Services.

Across our network of 40 field offices, our staff conducts more than 95,000 client interviews each month. The Sentinel Offender Services level of community based services is unmatched. Do visit us at www.sentrak.com
